Waving Through a Window

ML: I've learned to slam on the brake
Before I even turn the key
Before I make the mistake
Before I lead with the worst of me
(+MH) Give them no reason to stare
No slipping up if you slip away
So I got nothing to share
No, I got nothing to say

L: Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've
learned

MH: On the outside, always looking in
Will I ever be more than I've always been?
'Cause I'm tap, tap, tapping on the glass
I'm waving through a window
(+H) I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
waving through a window, oh
ML: Can anybody see, is anybody waving back
at me?

H: We start with stars in our eyes
We start believing that we belong
But every sun doesn't rise
And no one tells you where you went wrong

L: Step out, step out of the sun
If you keep getting burned
Step out, step out of the sun
Because you've learned, because you've
learned

MH, ML: On the outside, always looking in
Will I ever be more than I've always been?
'Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window, oh
Can anybody see, is anybody waving?

MH (+H 2nd time): When you're falling in a
forest and there's nobody around do you ever
really crash, or even make a sound? (X2)
L (+ML 2nd time): When you're falling in a forest
and there's nobody around do you ever really
crash, or even make a sound?
H, MH: (ahhhh)
ML, L: Did I even make a sound?
Did I even make a sound?
It's like I never made a sound
Will I ever make a sound?

H: (ahhh)
MH, ML, L: On the outside, always looking in
Will I ever be more than I've always been?
'Cause I'm tap, tap, tapping on the glass
Waving through a window
I try to speak, but nobody can hear
So I wait around for an answer to appear
While I'm watch, watch, watching people pass
Waving through a window, oh
S1: Can anybody see, is anybody waving back
at me?
S2: Is anybody waving?
(S3) Waving, waving
